# **Invitation**

To all those interested in Shorthorn cattle, we extend a warm invitation to join us on October 7th for the 16th Annual Sale to be held at Glenburn.

We regret that early in August, our sale partners since 1941, Ed and J. J. Murphy found it necessary to withdraw from the sale for this year. We are sure their many friends join with us in hoping that their health will improve so that this retirement will be only temporary.

Attractive offerings from the herds of M. H. Pimmett & Sons, L. C. Scott and Shaw Bros. were added with only six weeks notice and replace the usual Murphy consignment. We welcome these breeders to the sale.

In co-operation with the consignors to the Klaymor sale on October 6th, we shall be pleased to try to enable visitors see as many of the herds as possible. Plan to spend the week-end in studying the sale cattle, their sires and their dams.

Transportation from the Royal York Hotel in Toronto will be available on Sunday, Monday and Tuesday, October 5th, 6th, 7th.

**BEATH BROS.**

**K. E. DEACON.**

## Our Guest Contributors

Many of us have watched with interest the steady progress of the Strathore herd of M. H. Pimmett and Sons, as son Lorne assumed the direction. The results at 1951 and 1952 shows are proof of what can be done by good cattlemen from small beginnings, that Shorthorn success is not restricted to millionaire breeders with professional herdsmen. The major Pimmett winnings are

Senior and grand champion bull 1951 C.N.E. and 1952 regional show.

Junior and grand champion female 1951 Royal Winter Fair.

Reserve junior and reserve grand champion female 1951 Royal Winter Fair.

Junior and grand champion female 1952 C.N.E.

Three of the four Pimmett entries have been bred to Louada Barnone 1951 C.N.E. grand champion.

L. C. ("Lou") Scott, jet-propelled and with many interests, is head of a family of livestock enthusiasts that has taken to the country in recent years. At Wyndstone he has assembled in a short time a most attractive breeding herd. That he is doing a good job is evidenced by the fact that he bred and showed three of the four first prize winners in the calf classes at the 1952 Regional Shorthorn show at Oshawa.

Shaw Brothers of Peterborough and their sister are old-time Shorthorn enthusiasts with a record of breeding good sound practical Shorthorns. Their reputation is not the result of show winnings but rather from the production of consistently good cattle that have done much to advertise the economy of production that is traditional in good Shorthorns.

We welcome the drafts from these new consignors and appreciate their willingness to co-operate despite only six weeks notice.
